- b. Make contact when assuming a position at the side or in front of a stationary opponent.
- c. Take a position so close to moving opponent that her opponent cannot avoid contact by stopping or changing direction. The speed of the player to be screened will determine where the screener may take her stationary position. This position will vary and may be 1 to 2 normal steps or strides from the opponent.
- d. After assuming her legal screening position move to maintain it unless she moves in the same direction and path as her opponent. If the screener violates any of these provisions and contact results, she has committed a personal foul.

PENALTY: Personal Foul, 10 yards (S38)

Art. 5... Blocking and Interlocked Interference – Teammates of a runner or passer may interfere for her by screen blocking but shall not use interlocked interference by grasping or encircling one another in any manner.

PENALTY: Personal Foul, 10 yards (S38)

Art. 6... Use of Hands or Arms by the defense – Opponents, including rushers, must go around the offensive player's screen block.

- a. The arms and hands may not be used as a wedge to displace the opponent.
- b. A defender may use her arms or hands to break a fall or retain her balance.

PENALTY: Personal Foul, 10 yards (S38)

SECTION 6. RUNNER

Art. 1... Flag Belt Removal – Players must have possession of the ball before they can be deflagged legally by an opponent.

- a. When a runner loses her flag belt either accidentally, inadvertently (not removed by grabbing or pulling), or on purpose, play continues.
 1. The deflagging reverts to a 1 hand tag of the runner between the shoulders and knees, including the hand and arm, by an opponent.
- b. In circumstances where a flag belt is removed illegally by a player, play should continue with the option of the penalty or the play.

PENALTY: Personal Foul, Illegal Flag Pull 10 yards (S38).

- c. An opponent intentionally pulling a flag belt from an offensive player without the ball is illegal.

PENALTY: Personal Foul, Illegal Flag Pull 10 yards (S38).

- d. Tampering with the flag belt in any way to gain an advantage including tying, using foreign materials, or other such acts is illegal.

PENALTY: Personal Foul, 10 yards from the previous spot, and player disqualification (S38 and S47). If by A, loss of down (S9). If by B, automatic 1st down (S8).

- e. A nonplayer deflags or interferes with a runner.

PENALTY: Personal Foul, 10 yards (S38) The Referee will award a touchdown (S5) and disqualify (S47) the nonplayer.

Art. 2... Guarding the Flag Belt – Runners shall not flag guard by using their hands, arms, or the ball where contact occurs between the runner and an opponent that denies the opportunity for an opponent to pull or remove the flag belt. Examples of flag guarding include, but are not limited to:

- a. Placing or swinging the hand or arm over the flag belt.
- b. Placing the ball in possession over the flag belt.
- c. Lowering the shoulders in such a manner which places the arm over the flag belt.

PENALTY: Flag Guarding, 10 yards (S24).

Art. 3... Stiff Arm – The runner shall be prohibited from contacting an opponent with extended hand or arm.

- a. This includes the use of a “stiff arm” extended to ward off an opponent attempting to deflag/tag.

PENALTY: Personal Foul, 10 yards (S38).

Art. 4... Helping the Runner – The runner shall not grasp a teammate or be grasped, pulled, or pushed by a teammate.

PENALTY: Helping the Runner, 5 yards (S44).

Art. 5... Obstruct the Runner – An opponent shall not hold, grasp, or obstruct the forward progress of a runner when in the act of removing the flag belt or making a legal tag.

PENALTY: Personal Foul, 10 yards (S42).

Art. 6... Charge – A runner shall not charge into nor contact any player in her path nor attempt to run between two (2) players or between any player and a sideline unless the space is such as to provide a reasonable chance for her to go through without contact.

- a. If a runner in her progress has established a straight-line path, she may not be crowded out of the path, but if an opponent is able to legally establish a defensive position in that path, the runner must avoid contact by changing direction.
- b. In any situation in which the positioning of at least two defensive players in front of the offensive ball carrier or any other offensive player does not allow a clear unobstructed forward path, a ball carrier or offensive player may not take a forward path that causes contact or creates a situation in which contact is unavoidable. When in doubt, foul on the offense.

POINTS OF EMPHASIS

In short line to gain situation (goal to go or short first down) it is the offenses responsibility to avoid a formation and/or direct motion of players that will lead to contact between offensive and defensive players (ball carrier or other offensive players lining up in direct proximity of a defender). Ball carrier and/or offensive player is not legally able to establish a straight-line path if the immediate path of the ball carrier is forward and directed at or between two opponents. It is the responsibility of the ball carrier (and other offensive players) to avoid contact with a defender regardless of if the defender has established position or not. When in doubt, foul on the offense.

PENALTY: Personal Foul, 10 yards (S38).

Art. 7... Spinning/Diving/Jumping- are allowed but subject to rules regarding illegal contact.

SECTION 7. BATTING AND KICKING

Art. 1... Batting a Loose Ball – Players shall not bat a loose ball other than a pass or fumble in flight.

- a. EXCEPTION 1: A backward pass in flight shall not be batted or thrown forward by the passing team.
- b. EXCEPTION 2: K may bat a grounded or an airborne punt beyond the K scrimmage line toward their own goal line.

PENALTY: Illegal Batting, 10 yards (S31).

PENALTY: Illegal Batting, 10 yards (S31).

Art. 3... Illegal Kicking – No player shall intentionally kick a ball other than a punt.

NOTE: An illegal kick shall be treated like a fumble.

PENALTY: Illegal kicking, 10 yards (S31).

SECTION 8. ILLEGAL PARTICIPATION

Art. 1... It is Illegal Participation:

- a. To have 8 or more players participating at the snap.
- b. If an injured player is not replaced for at least 1 down, unless the halftime or overtime intermission occurs.

If a player is blocked out-of-bounds by an opponent and returns inbounds during the down, she shall return at the first opportunity. During the down, no player shall intentionally go out-of-bounds and return to the field, intentionally touch the ball, influence the play, or otherwise participate.
- g. When any player, replaced player or substitute enters during a down.

PENALTY: Illegal Participation, 10 yards (S28).

RULE 10. ENFORCEMENT OF PENALTIES

SECTION 1. PROCEDURE AFTER A FOUL

Art. 1... Definitions – A foul is a rule infraction for which a penalty is prescribed.

- a. Types of fouls are:
 - 1. Dead Ball: A foul which occurs in the time interval after a down has ended and before the ball is next legally snapped.
 - 2. Live Ball: A foul which occurs during a down.
 - 3. Simultaneous with the Snap: An act which becomes a foul when the ball is snapped.
 - 4. Double Foul – One or more live ball fouls (other than nonplayer or unsportsmanlike) are committed by each team at such time that the penalties offset.
 - 5. Flagrant – A foul so severe or extreme that it places an opponent in danger of serious injury, and/or involves violations that are extremely or persistently vulgar or abusive in word or conduct.
 - 6. Multiple Foul – Two or more live ball fouls (other than nonplayer or unsportsmanlike) are committed during the same down by the same team at such a time that the offended team is permitted a choice of penalties.
 - 7. Nonplayer or Unsportsmanlike – a non-contact (other than unintentional contact as specified in 9.1) foul while the ball is dead or during the down which is not illegal participation and does not influence the play in progress.
 - 8. Player Foul – A foul (other than nonplayer or unsportsmanlike) by a player in the game
 - 9. Post-Scrimmage Kick Foul – a foul by a Team R player (other than illegal substitution or illegal participation) when the foul occurs:
 - i. During a scrimmage kick (punt) play.
 - ii. During a scrimmage kick play in which the ball crosses the neutral zone.
 - iii. The foul occurs beyond the neutral zone.
 - iv. Before the end of the kick.
 - v. And, Team R will be next to put the ball in play.

Art. 2... Captain's Choice – When a foul occurs during a live ball, the Referee shall, at the end of the down, notify both captains.

- a. He/she shall inform the captain of the offended team regarding the rights of penalty acceptance or declination and shall indicate to her the number of the ensuing down, distance to be gained, and status of the ball for each available choice.
- b. The distance penalty for any foul may be declined.
- c. If the penalty is declined or if there is a double foul, there is no loss of distance.
- d. The Captain's choice of options may not be revoked.
- e. Decisions involving penalties shall be made before any charged time-out is granted.

Art. 3... Dead Ball Foul – When a foul occurs during a dead ball either between downs or before a snap, the officials shall not permit the ball to become live.

- a. If accepted, the penalty for any foul between downs, any nonplayer foul, or any unsportsmanlike foul, is enforced from the succeeding spot.
EXCEPTION: 10-3-10 and 10-3-11
- b. If a dead ball foul occurs after time expires for any period, the penalty shall be measured from the succeeding spot. The succeeding spot is where the ball would next be snapped if a foul had not occurred.

Art. 4... Live Ball/Dead Ball Foul – When a live ball foul by one team is followed by a dead ball foul by the opponent, the penalties are administered separately and in the order of occurrence.

- a. When the same team commits a live ball foul followed by 1 or more dead ball fouls, all fouls may be penalized.

Art. 5... Establishing the Zone Line-to-Gain - On a live ball foul mark off the penalty yardage first then establish the zone line-to-gain.

- a. Penalties for fouls with succeeding spot enforcement which occur prior to the ready for play signal shall be administered before setting the zone line-to-gain down box for a new series.
- b. Penalties for fouls with succeeding spot enforcement which occur after the ready for play signal shall be administered after setting the zone line-to-gain down box for a new series.

NOTE: During overtime, the zone line-to-gain is always the goal line.

Art. 6... Double and Multiple Fouls – It is a double foul if both teams commit fouls, other than nonplayer or unsportsmanlike, during the same live ball period in which:

- a. There is no change of team possession, unless all fouls committed by Team R, are post-scrimmage kick fouls, or
- b. There is a change of team possession, and the team in possession at the end of the down fouls prior to final change of possession unless all fouls committed by Team R are post-scrimmage kick fouls, or
- c. There is a change of possession and the team in final possession accepts the penalty for its opponent's foul at any time during the down.

NOTE: In (a), (b) or (c) the penalties cancel, and the down is replayed.

SECTION 2. TYPES OF PLAYS AND BASIC ENFORCEMENT SPOTS

Art. 1... Live Ball Fouls – Any live ball foul is penalized according to the All-But-One Enforcement Principle except:

- a. A foul which occurs simultaneously with the snap is penalized from the previous spot.
- b. A nonplayer foul, unsportsmanlike foul, or dead ball foul is penalized from the succeeding spot.
- c. The basic spot may, at the option of the offended team, be the succeeding spot for fouls by K during a punting down (other than kick catch interference) when K will not be next to put the ball in play.

Art. 2... All-But-One Enforcement Principle – Enforcement philosophy is based on the premise that a team is given the advantage of the distance which is gained without assistance of a foul. It is assumed that the only foul which would give this aid is a foul by the offense behind the basic spot. Therefore, all fouls but this one, which is a foul by the offense behind the basic spot, are penalized from the basic spot. The All-But-One Principle applies in the following situations:

- a. Fouls by the offense behind the end of the run on a running play which ends beyond A'S scrimmage line.
EXCEPTION: If A's foul is in the field of play behind A's scrimmage line, it is penalized from the previous spot.
- b. Fouls by the offense after a change of possession
- c. Post-scrimmage kicks fouls behind the post-scrimmage kick spot.

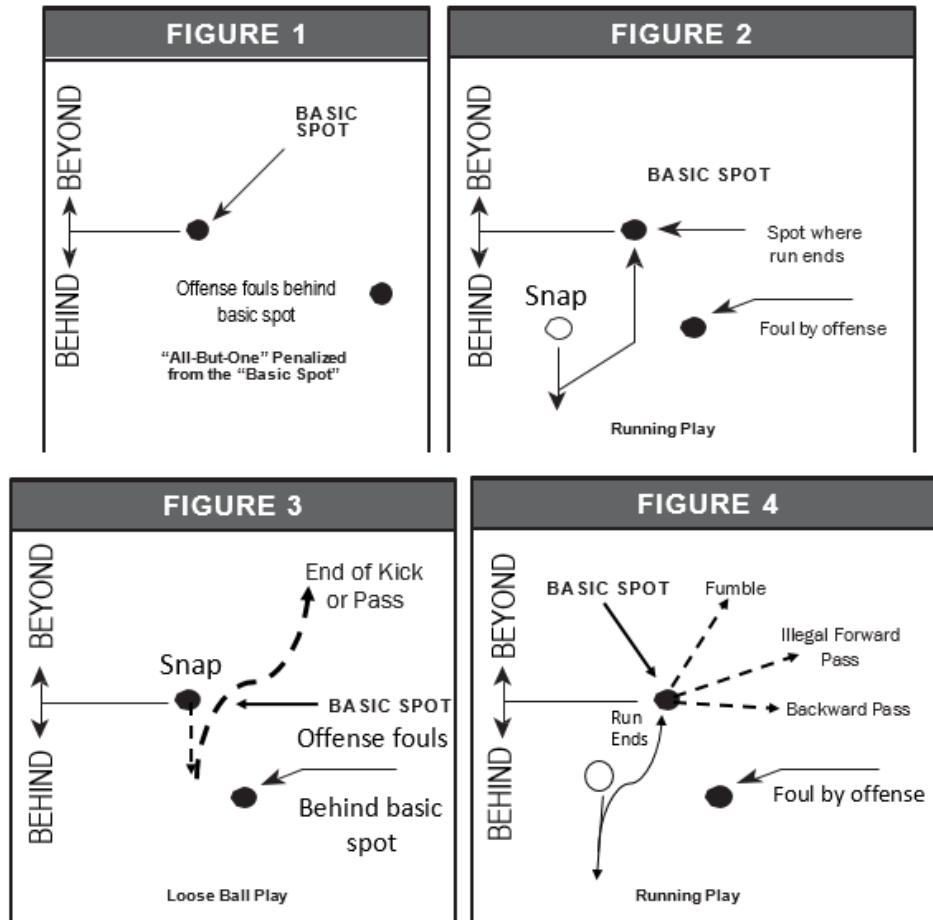

Art. 3... Two Types of Plays – Whenever the ball is live, 1 of 2 types of plays is in progress, either a loose ball play or a running play.

- a. The type of play has no significance unless a foul occurs.
- b. If a foul does occur, the officials must know whether it was during a loose ball play or during a running play.
- c. This determines the basic spot of enforcement.

Art. 4... Loose Ball Play - A loose ball play is action during:

- a. A punt, other than post scrimmage kick fouls.
- b. A legal forward pass.
- c. A backward pass (including the snap), illegal kick, or fumble made by A from on or behind their scrimmage line (1st ball spotter) and prior to a change of team possession.
- d. The run or runs which precedes such legal pass, punt or fumble.

BASIC ENFORCEMENT SPOTS

Enforcement provisions apply to all player fouls. These provisions are not complicated by exceptions or special penalties.

Enforcement philosophy is based on the fact that a team is given the advantage of the distance gained without assistance of a foul. It is assumed that the only foul which would give this assistance is a foul by the offense behind the basic spot. Therefore, all fouls but this one, a foul by the offense behind the basic spot, are penalized from the basic spot unless the spot is otherwise specified by rule.

This one foul is penalized from the spot of the foul.

Whenever the ball is live, one of two types of plays is in progress: either a LOOSE-BALL PLAY or a RUNNING PLAY. The type of play has no significance unless a foul occurs. If a foul does occur, game officials must know if the foul was committed during a LOOSE-BALL PLAY or a RUNNING PLAY.

This knowledge is necessary to determine the basic spot of enforcement unless the spot is otherwise specified by rule.

A LOOSE-BALL PLAY is action during 1.) a scrimmage kick (punt), 2.) a legal forward pass, 3.) a backward pass (including the snap), 4.) an illegal kick, 5.) a fumble by A in or behind the neutral zone prior to a change of team possession.

A LOOSE-BALL PLAY includes the run, or runs, which precede such legal or illegal kick, legal forward pass, backward pass, or fumble.

If a foul occurs during a LOOSE-BALL PLAY, the basic spot is the previous spot unless the rules specify otherwise, such as for Roughing the Passer.

Art. 5... Running Play – A running play is any action that is not a loose ball play.

- a. Behind the line, it includes:
 1. A run which is not followed by a loose ball behind the line.
 2. A run which is followed by an illegal pass from behind the line.
- b. Beyond the line, it includes any run.
- c. If a foul occurs during a running play, the basic enforcement spot is the spot where the run ends:
 1. Where the ball becomes dead if the runner does not lose possession.
 2. Where the player loses possession of her illegal forward pass, fumbles into the opponent's end zone, or backward pass beyond the scrimmage line that is intercepted.
 3. As the spot of the catch when the momentum rule is in effect.

SECTION 3. SPECIAL ENFORCEMENTS

Art. 1... Automatic 1st down Fouls - Fouls by B which give A an automatic 1st down (S8) are Roughing the Passer and Illegally Secured Flag Belt.

Art. 2... Dead Ball Fouls – Penalties for dead ball fouls are enforced separately and in the order of occurrence.

- a. Dead ball fouls are not coupled with live ball fouls or other dead ball fouls to create double or multiple fouls.
- b. Where there are 10-yard dead ball fouls (or live ball fouls treated as dead ball fouls) committed by each team prior to penalty administration, each 10-yard foul will cancel a 10-yard foul on the other team.
- c. Any remaining 10-yard fouls will be enforced.
- d. Any 5-yard dead ball fouls will be enforced separately and in order of occurrence and would never cancel with a 10-yard foul.

Art. 3... Double Foul – It is a double foul if both teams commit fouls (other than unsportsmanlike or nonplayer) during the same down in which:

- a. There is no change of team possession.
- b. There is a change of team possession, and the team in possession at the end of the down fouls prior to the final change of possession.
- c. There is a change of team possession and the team in final possession accepts the penalty for its opponent's foul.

In (A), (B), and (C) the penalties cancel, and the down is replayed.

EXCEPTION 1: "Clean hands principle" – *If each team fouls during a down in which there is a change of team possession, the team last gaining possession may retain the ball, provided its foul is not prior to the final change of team possession and it declined the penalty for its opponent's foul(s) (other than unsportsmanlike or nonplayer).*

NOTE: This rule does not apply to double fouls during a Try or overtime period.

EXCEPTION 2: PSK foul. *R must decline the K fouls (other than unsportsmanlike or nonplayer).*

Art. 4... Goal Line – For a defensive team foul, if the enforcement spot which is now the basic spot, is on or behind the offended team's goal line, any measurement is from the succeeding spot or goal line.

Art. 5... Half the distance – A measurement cannot take the ball more than half the distance from the enforcement spot to the offending team's goal line.

- a. If the penalty is greater than this, the ball is placed halfway between the enforcement spot and the goal line.

Art. 6... Last Play of Period – Succeeding spot fouls that occur:

- a. During the last play of the game;
- b. During the last play of an overtime period; or
- c. Dead ball fouls which occur after the last play of a game or overtime period.

These fouls can be carried over to a succeeding overtime period unless a touchdown is scored on that play, in which case the penalty can only be enforced on the Try.

Art. 7... Loss of down Fouls – Loss of down (s9).

- a. Illegal Backward Pass.
- b. Illegal Forward Pass.
- c. Intentional Grounding.
- d. Tampering with Flag Belt.
- e. Live-ball foul by A during an onside conversion.

Art. 8... Multiple Foul – When 2 or more live ball fouls (other than unsportsmanlike or nonplayer) are committed during the same down by the same team, only 1 penalty may be chosen by the offended team.

Art. 9... Safety – If the offensive team throws an illegal forward pass from its end zone or commits any other foul for which the penalty is accepted, and measurement is from on or behind its goal line which is now the basic spot, it is a safety.

Art. 10... Touchdown:

- a. If there is a foul by the scoring team (including unsportsmanlike or nonplayer) during a down which results in a touchdown, the acceptance of the penalty nullifies the score.
- b. If an opponent of the scoring team commits a foul (other than unsportsmanlike or nonplayer) during a down in which a touchdown is scored, and there was not a change of team possession during the down, A may accept the result of the play and then choose to have the foul enforced either on the Try, or after Try, at the succeeding spot.
- c. If an opponent of the scoring team commits a foul (including unsportsmanlike or nonplayer) during a down in which a touchdown is scored, and there was a change of team possession during the down, and such foul occurs after the change of team possession, the scoring team may accept the results of the play and then choose to have the foul enforced either on the Try, or after the Try, at the succeeding spot.

NOTE: In B, and C unless moved by penalty, the succeeding spot will be the 14-yard line if an onside conversion is not elected, the 30-yard line if an onside conversion is elected, or the 10-yard line in overtime.

Art. 11... Try:

- a. If either team commits a dead ball foul following a touchdown and prior to the initial ready for play on a Try, the offended team has the option of enforcing the penalty on the Try, or after the Try, at the succeeding spot.
- b. If there is a foul by A (other than unsportsmanlike or nonplayer) during a down which results in a successful Try, acceptance of the penalty nullifies the score. If the foul carries a loss of down, the Try is not replayed.
- c. If there is a foul by B during a successful Try, the penalty may be enforced at the succeeding spot.
- d. If a double foul occurs, the down is replayed.

NOTE: In A, and C above, unless moved by penalty, the succeeding spot will be the 14-yard line if an onside conversion is not elected, the 30-yard line if an onside conversion is elected, or the 10-yard line in overtime.

Art. 12... Onside Conversion:

- a. If either team commits a dead ball foul following a Try and prior to the initial ready for play on an onside conversion, the penalty will be enforced after the onside conversion, at the succeeding spot.
- b. If there is a live-ball foul by A (other than unsportsmanlike or nonplayer) during a down that results in a successful onside conversion, acceptance of the penalty nullifies the conversion. The foul carries a loss of down and the onside conversion is not replayed.
- c. If there is a foul by B during a successful onside conversion, the penalty may be enforced from the succeeding spot.
- d. If a foul by Team B occurs during an unsuccessful onside conversion attempt the penalty enforcement will be assessed as if the 40-yard line is the goal line with no penalty exceeding half the distance to the 40.
- e. If a double foul occurs, the down is replayed.
